

OverDrive eBooks for Nook (or non-Kindle eReader)

(Not for Nook HD, Nook HD+, Nook Tablet, Nook Color, or devices with apps)

Step 0: Get a library card and a PIN

- See library staff if you need a PIN for your library card.

Step 1: Install Adobe Digital Editions

You will need Adobe Digital Editions on your computer in order to transfer eBooks to your Nook.

- Go to adobe.com/products/digital-editions/download.html.
- Download and install Adobe Digital Editions.

Step 2: Optional: Get an Adobe ID and authorize your computer (when prompted)

- You will be prompted to set up an Adobe ID when you download an Adobe EPUB eBook.
- You will be prompted to enter your email, a name, and a password.
- If you do not set up an Adobe ID, you will still be able to read your book but won't be able to sync your books between computers.

Step 3: Find a book!

- Go to dbooks.wplc.info on your computer.
- **Sign In** in the top right corner.
 - *Your library's name:* type in "Platteville" (or your home library).
 - *Your library card number:* this is the 14-digit number on the back of your library card (no spaces).
 - *PIN/Password:* see library staff if you need a PIN for your library card.
 - You can search for eBooks without being signed in, but being signed in makes checking out easier.
-  Use the *search* option in the top right to search for books by author, title, or subject.
- Use the menu options across the top of the screen to browse for books by genre.
- Click the *Show me...Available Now* option in any search to find books with no waiting list.

-  /   Click **Borrow** to check out an available title.
-  /   Click **Place a hold** to be on the list for a checked out title.

Step 4: Download your book

After you have decided to borrow a book, choose the format you want for your eBook.

• Option 1: Adobe EPUB books

- Click **Download**.
- Click **EPUB eBook**.
- Click **Confirm & Download**.

-  If prompted, open your download with Adobe Digital Editions.

- Adobe Digital Editions will open and download the eBook to your computer.
 -  Click on **Library** in the top left corner of the Adobe Digital Editions screen.
 - Connect your Nook to your computer with your USB cable.
 - Make sure your Nook is turned on.

Your Nook should show up under the list of devices on the left side of your Adobe Digital Editions screen.

- Click on the book you want to transfer to your Nook and drag it to your Nook icon.

- **Find your eBooks on your Nook**

Nook 1st Edition:

- Go to **My Library** → **My Documents**.

Nook Simple Touch:

- Push the 'n' button → **Library** → select **All** from the drop down box near the upper-left corner.

Nook Tablet/Color:

- Push the 'n' button → **Library** → **My Stuff** → **My Files** → **Digital Editions**.

- **Option 2: Read (in your browser)**

- This will open the book in the Internet browser of your computer.
- To access the book later:
 - Bookmark the webpage for the eBook. This will also let you read the book offline.
 - OR return your OverDrive account via your app or by visiting dbooks.wplc.info.
 - Go to your **Account**  and then go to your **Bookshelf**  to reopen your book.

Holds:

- You may have up to ten items on hold at one time.
- You will receive an email when it is your turn to check out your hold.
- You have three days after the email has been sent to download your book.
- Holds must be placed through the dbooks.wplc.info website.
 - Holds for eBooks cannot be placed through the SWLS catalog.

Lending periods:

- eBooks may be checked out for 7, 14, or 21 days.
- Audiobooks may be checked out for 7 or 14 days.
- To set your default checkout period through dbooks.wplc.info:
 -  Click on your **Account**.
 -  Click on your **Settings**.
 -    Choose your preferred checkout period.
